Subject PacifiCorp Power Substation site - SLC, Utah

Joyce,

Attached is a pdf showing the property UTA purchased from PacifiCorp for the power substation for our Light Rail line. We are expanding our Light Rail system downtown and need to add new facilities at this location, and new underground utilities. We do not plan on excavating any deeper than 4 feet.

Can you tell me the aerial extent and depth of the cleanup and whether it included the UTA-owned parcel?

Thanks for your help.

Mary
